

**November 13, 2020**

Dear Vendors;

Colony Hardware Corporation is pleased to announce that we have purchased the operating assets of Care Supply Co., LLC. in a transaction completed today, November 13, 2020. Colony Hardware is a leading distributor of tools, fasteners, safety products and construction supplies with headquarters in Orange, Connecticut. In addition, we are very proud that the Care Supply employees and management team are joining Colony and we are also very excited about expanding our business into the Nashville market.

The mailing addresses for the business will remain the same. We plan few short-term changes to the operations and the business will trade as Colony Hardware Corporation, dba Care Supply. In addition, Care Supply will continue to do their own purchasing. Colony is also assuming the trade accounts payable as part of the transaction. Please continue business as usual. Please also include all purchases from this location as of November 13, 2020 in the rebate or incentive calculations of Colony Hardware Corporation. If you currently do not have a rebate and or incentive program with Colony, but maintain such a program with Care Supply then we expect that program to continue. Going forward all payments and or credits as of this same date should be made payable to Colony Hardware Corporation. In addition, absent a special program or other arrangement already in place with Care Supply we appreciate that all favorable terms, discounts and pricing extended to any other Colony Hardware location will be effective for this location as of November 13, 2020.

On behalf of Care Supply and Colony Hardware Corporation, thank you very much for your support in the past and the entire combined team is looking forward to earning your continued trust and confidence into the future. If you have any questions or unique circumstances that require additional discussion, please contact Colony's Director of Purchasing, Ralph Del Cervo at 203-466-5252, extension 343 or Wade Buttery from Care Supply at 615-690-2273.

Sincerely,

Mark Patton - CEO
