

## **ORS Nasco Names Andy Boyle Senior Vice President of Sales and Marketing**

**Tulsa, OK – January 18, 2021** – ORS Nasco, North America's leading wholesaler of industrial, safety, and welding supplies selling exclusively to distributors throughout North America, announced Andy Boyle as Senior Vice President of Sales and Marketing reporting to Kevin Short, President and CEO.

“I have known Andy since 2004 and he is a tenacious and highly accomplished sales leader. Most of his career has orbited in and around distribution as he led a variety of sales teams and consistently posted record results. I am confident in Andy’s ability to work closely with the management team, committed employees, and business partners to execute our growth strategy,” said Kevin Short, President and CEO of ORS Nasco. “I am thrilled to see what lies ahead under Andy’s leadership and the many opportunities we have to become integral business partners with our customers and suppliers as a true value add wholesaler.”

“I am eager to jump in, start learning, and play a role in the evolution of the business,” said Andy Boyle, SVP of Sales and Marketing. “ORS Nasco is passionate about the success of our distribution and supplier partners and I am fortunate to be a part of the team.”

### **Andy Boyle Biography**

Andy has served in various leadership roles within both manufacturing and distribution. His 20-year career has included both commercial and operational assignments resulting in a unique understanding of the supply chain. Most recently, he was Sales Manager for Americas for Inteplast Group®, the largest plastic sheet and film manufacturer in North America.
